

REMARKS

Claims 1-25 are pending in this application. By this Amendment, claims 1, 7 and 22 are amended. Support for the amendments to claims 1, 7 and 22 can be found in the specification as originally filed, for example, at paragraphs [0004], [0015], [0018] and [0019], and in claims 1, 7 and 22 as originally filed.

In addition, the specification is amended. Support for the amendments to the specification can be found in the specification as originally filed.

The Office Action objects to the specification as containing informalities throughout, including sentences that are not in proper grammatical English and portions of text in which letters are replaced by blanks. Applicants respectfully submit that the amendments to the specification herein correct these informalities. Reconsideration and withdrawal of the objection to the specification are respectfully requested.

The Office Action objects to claim 1 and its dependent claims 2-12 as improper because the word "use" in claim 1 is misspelled as "us." Applicants thank the Examiner for the indication that claims 2-12 contain allowable subject matter. Applicants respectfully submit that the amendment to claim 1 herein corrects this informality, and that claims 1-12 are in condition for allowance. Reconsideration and withdrawal of the objection to claims 1-12 are respectfully requested.

Applicants also thank the Examiner for the indication that claims 13-25 contain allowable subject matter.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1-25 are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,

James A. Oliff
